

About MEA TV & Radio

For over 30 years, MEA TV & Radio has strived to build bridges between local Middle Eastern American Community, and the community at large.

MEA TV now broadcasts on Sling, The Arabic Package with over 175,000 daily viewers. In coming weeks, we are proud to announce that we will be available on Apple TV, Roku, Firestick, and Smart TV's. Viewers are also able to tune in to MEA TV and Radio through our website and mobile app. We estimate that with through these platforms our viewership will exceed 220,000 daily viewers.

Apart from our TV & Radio, we have a very creative social media outlet. This social media outlet includes our Mobile App & Live Streaming Services. All shows, interviews, and sponsor ads are aired on MEA TV and available on Facebook, YouTube, and other platforms. We are proud to share our weekly e-newsletter that reaches 70,000 recipients. Our newsletter highlights the activities of MEA TV & Radio, the Middle Eastern Community, as well as highlights of our proud sponsors. With a population of over 450,000, Michigan has the largest concentration of the Middle Eastern American Community which includes but is not limited to Chaldeans, Lebanese, Egyptians, Syrian, Jordanians, & Yemeni. Today, the nation is home to over 9 million Middle Eastern Americana with a spending power of over 13 billion annually. This community is highly involved in every aspect of life
